August 2009

Well folks,

Hard times have caught up with Paul & me personally. Many of you know Meridian Automotive has closed and thus unemployed Paul. He is job hunting and the probability is high that he will end up out of state. That does NOT mean that I'm going anywhere. Rumor has it that we are closing and that is exactly what it is...RUMOR. We have all worked too hard to get The River's Edge where it is and what it is to close the doors. We are still growing. We are still having fun. And we are still booking classes and ordering patterns, books, notions and most of all **FABRIC**. I Thank GOD and thank you stitchers for The River's Edge and the growth we have experienced. We all had a wonderful Shop Hop for Stars Over Indiana. We were exhausted, but enjoyed the hoppers and meeting new quilters.

Because us quilters are all doing our part to get the economy back on track we here at The River's Edge are offering several FREE classes with the purchase of patterns and fabric. The Janome machines are still moving in and out at warp speed because of pricing and quality.

Julie's much awaited and longed for "Stargazing" pattern is now available for purchase! You've seen them on display, now come and get 'em! Also back from the printer is her most recent pattern "Crossroads". Monday, August 17th is the start date for her next mystery quilt, it isn't too late to start!

Paul is taking in machines for their annual maintenance check up. Just drop your machine off and he'll get her cleaned, oiled and adjusted for \$65. She'll be purring along again in no time! Paul is also accepting new accounts for lawn maintenance; contact him at the shop for more details.

The River's Edge has something new for you stitchers with embroidery machines... We now carry Dakota Collectibles! Come in and take a look, they are adorable! Wizard of Oz, Tom & Jerry, Pebbles and Maxine are just a few of the licensed characters we have in stock.

Just a reminder... Christmas is just around the corner... Get your tops dropped off early so they are ready in time to put under the tree!

Coming soon AccuQuilt! We are EXCITED about this! Love to make quilts but HATE to cut! AccuQuilt is the answer. This is the quickest and most accurate way to cut the pieces for your quilt EVER! We will have kits galore precut for you AND you can even rent time on it to cut your own projects!

We are planning a little EVENT at The River's Edge that's going to be BIG FUN! On Saturday, November 14th from 1:00pm – 8:00 the STRIP JOINT will be open! Seating is limited to 30 quilters and the cover charge is \$20. Choose a "COCKTAIL" for your project (prices may vary) and start practicing your poker face for the "Strip Poker" tournament! More details to follow!

God Bless,
Nancy

The River's Edge Fabric Company August 2009
